

## MANAGING AGENTS APPROACH TO NET ZERO CARBON

Online Meeting

Thursday, 6<sup>th</sup> August 2020, 10:00 – 12:00

### AGENDA

1. Welcome and Introductions

Ben Grimshaw, Senior Project Manager, Better Buildings Partnership, will introduce the roundtable and introduce the speakers.

2. Managing Agents approaches to net zero carbon

Carl Brooks, Director and Head of Sustainability Property Management at CBRE UK; Gregg Taylor, Director of Sustainability at JLL; and Vicky Cotton, ESG Director at Workman will each present on what actions their respective organisations are currently undertaking and planning with regards to a net zero carbon. This will include any net zero carbon targets and ambitions, the steps they are taking to achieve them, and how they will seek to share their learnings to benefit their wider client base.

3. Member Discussion and Q&A

Based on the presentations, attendees will have the opportunity to ask questions and share experiences from their own organisation in terms of their net zero targets, ambitions, steps taking to achieve them and how they are seeking to share any learnings to benefit their wider client base.
